There is a terrible snow storm. The wind is blowing. The snow is coming down so hard that the sky looks as white as the ground. It is dark, cold, snowy and frozen. In the middle of this storm is a house.

Inside the house is a boy sitting in front of a fireplace, wrapped up in a warm blanket and drinking hot chocolate. Outside it is like a frozen hurricane but the boy isn't worried.

Not only that but for a birthday present his parents were going to take him for a weekend stay at a hotel that had an indoor water park. Not only that but they were going to go out for breakfast at a restaurant that had the best pancakes in the world. Not only that but when they got home his uncle was going to take him to the movies. Then when he

finally got home he was going to play with all the presents he got for Christmas and his birthday.

The girl asks the cat which way she should go. The cat says, "Where do you want to go?" "I don't know where I want to go" said the girl. "Then it doesn't matter which road you take" said the cat.

- Is what the cat said true? Can two different roads be exactly the same?

- Doesn't one road have to be a little better or a little worse than the other?
- If we don't know what the best thing to do is... Who should we ask? (The one who knows everything)

Then he tried climbing up the drain spout on the side of the house. It came loose and he fell. Then he tried to pole vault into the upstairs window. He got a running start, stuck his pole in the ground, sailed through the air and hit the side of the house. He then tried parachuting into the upstairs window. He hired a plane, jumped out, pulled the cord, his chute opened and he landed in the tree in front of his house which he of course fell out of. Soon after, someone came up to brat boy and said, “We can’t call you brat boy anymore. You changed!”

He would love to take his shotgun and go hunting for wild animals. Or shoot at targets. Billy reads his Bible every day. One day he read where Jesus said that if we ask for anything in His name, He will do it. "Oh boy!" said Billy, "I am going to ask for a shotgun in Jesus name and He will give me one! It says so right here in the Bible!"

So Billy prayed for a shotgun and said "In Jesus name Amen." His birthday came. Billy couldn't wait to open his presents and take his new shotgun outside and shoot it off. He ran downstairs and saw some presents on the table. His mom and dad wished him Happy Birthday and Billy tore open the presents. He got some clothes, a game, a remote control helicopter but no shotgun. Billy was very disappointed. He said, "I didn't get my shotgun. The Bible isn't true!"

I want a whole bunch of newspapers that I can chew up and make a little house out of. I want one of those tube things that I can run in and play. I want a wheel that I can run around in. I want water and some hamster toys to play with. If you give me these things I'll have everything I need."

The hamster was very disappointed that he couldn't go on the roller coaster. He found his friend, the girl. He told her that he wanted to go on the roller coaster but they wouldn't let him. The girl picked him up, put him in her pocket, went over and got on the roller coaster. The hamster peeked out of the girls pocket and had a great time on the ride.

• Nobody who has ever done sins can ever stand before God and talk to Him. • If you believe in Jesus it's like you're hiding in Him. That's why we pray in Jesus' name.

### **John 14: 15**

The snake was just about to gobble up the little bird when a huge eagle swooped down from the sky. The eagle picked the bird up, put him on his back and soared back into the sky. The snake was mad. The little bird was glad. The eagle carried the little bird on his back. He fed him. He protected him from danger. Soon the little bird's wing was healed and he was able to fly. was going to be like. If it was going to be sunny, he would tell them. if it was going to rain, he would tell them it was going to rain. The evil weatherman always gave the wrong weather forecast on purpose.

If it was going to rain he would tell the people that it was going to be sunny. If it was going to be sunny, he would tell the people that it was going to rain. The people who listened to the good weather man knew what the weather was going to be. They were safe and prepared for any bad weather. If a storm came, they would be ready. The people who listened to the evil weatherman missed out on a lot of fun. They got wet in the rain and some of them were even blown away by a hurricane because they weren't ready.

- Why was the good weatherman good?
- Why was the evil weatherman bad?
- God, the Holy Spirit is called the Spirit of truth.

Her mom prayed with her, kissed her goodnight, turned out the light and shut the door. Samantha was lying there in the dark.

Instead of being sad in the dark because she had to go to bed, Samantha lay in her bed with a big smile on her face. As she lay there in the quiet dark it was just her and Jesus. She talked to Him and listened to Him in her heart.

This was the best time of the day. This was the time she knew that Jesus is real and alive.

He couldn't even lift them off the ground. He was stuck! Just then a news report came over the television..." A huge meteor has entered the earth's atmosphere! It is as big as a truck. It appears to be heading directly at Peters house!" People stopped in front of Peters house and yelled, "Peter, you should be really afraid!"

- Are there any reasons he should be afraid?
- Are there any reasons he shouldn't be afraid?

She got into trouble for talking in class. She fell in the hall and dropped all her books. She forgot her lunch. She couldn't find her homework and at the end of the day, she missed her bus. Lizzy walked home with a smile on her face.

- Why was she smiling after having such a bad day. (Because what she was looking forward to was greater than the sadness)

- No matter how many storms we go through or how sad we get...We have the best thing in the whole universe to look forward to.

## **John 14: 29**

Topic: a) Do you want to know how the world will end?

We are here in 2018 • Sometime Jesus will come back for us. We will zoom out of here and be with Him. • On earth things are going to get worse and worse as people get farther and farther away from God. • There is a man who will take over the world. Everyone will think he is the greatest but he really is working for Satan to take people away from God. • Then there will be the most terrible time that has ever been or ever will be. It's called the Tribulation period. • Jesus will come back to earth. He will be king over the whole earth. It will be the best time the earth has ever seen. We will be there to see it. • After a thousand years God will make a new heaven and a new earth. This time is going to be so wonderful that we can't even imagine what it will be like. This time will last forever and every day will be better than the one before it. If you believe in Jesus, you will be there.

Topic: b) How does God know what is going to happen?

b) There is a man who has the longest arms in the world. They are ten

miles long. There is a candy store ten miles away. The man reaches out his long arms and buys a bag of candy. He tells his friend that candy is coming. His friend says, "How do you know? I don't see any candy!"

- How does he know? (Because he's making it happen)
- God makes things happen so He knows what is going to happen.

### **John 14: 30-31**

Topic: a) Did Jesus go to the cross because He was weak or because He was strong?

a) There was a monkey whose best friend was a lion. Some hunters came to the jungle to catch animals. They put nets in trees to drop onto the animals and capture them. One day the monkey was walking under a tree that had a net trap. The lion saw it and yelled at the monkey but the monkey didn't pay any attention. The net came down and caught the monkey. The hunters took the monkey and put him in a cage. The lion wanted to save the monkey so he walked under the net trap. The net came down on the lion. The lion could have ripped it to shreds but instead he let the hunters throw him into the cage with the monkey. Then the lion with a mighty roar, bent the bars in the cage. The monkey jumped on the lions back and they were both free.

- Were the hunters able to take the lion because he was weak?
- Why were they able to take him?
- Could the cage hold him?
- Did Jesus go to the cross because He was weak?
- Then why did He go?
- Could death hold Him?
- Can death hold us? Why not?

Topic: b) Did God want to save us?

Dad told Marvin not to go near the mud hole. Suddenly dad hears Marvin yelling for help. He looks out the window and sees Marvin stuck in the mud hole. Dad comes out, stands over the mud hole and yells at Marvin..."I TOLD YOU NOT

TO GO NEAR THAT MUD HOLE!! NOW I HAVE  
TO GO IN THERE AND GET ALL DIRTY TO SAVE  
YOU!! WHEN I GET YOU OUT OF THERE YOU  
ARE IN BIG TROUBLE!!!

- Is that how God is?
- He wants to save you. Do you want to be saved? Then you are. He has saved you.
