We have completed our very successful attack on the three Nuclear sites in Iran, including Fordow, Natanz, and Esfahan. All planes are now outside of Iran air space. A full payload of BOMBS was dropped on the primary site, Fordow. All planes are safely on their way home. Congratulations to our great American Warriors. There is not another military in the World that could have done this. NOW IS THE TIME FOR PEACE! Thank you for your attention to this matter.

“The pan-Arab objective in the Arab-Israeli conflict is rather pervasive – the destruction of Israel. However, noticeably missing is the call for a Palestinian state and the subordinate position of the Palestinians in what is expressed as a battle for their rights and homeland.” - PLO Charter 1964

“We. The Palestinian Arab people, who faced the forces of evil, injustice and aggression against whom the forces of International Zionism and colonialism conspired and worked to displace it, dispossess it from its homeland to realize its freedom and dignity and who has determined to amass its forces and mobilize its efforts and capabilities in order to continue its struggle and to move forward on the path of holy war until complete and final victory has been attained.” - PLO Charter 1964

Ezekiel 33:11 (NKJV)

11 Say to them: ‘As I live,’ says the Lord GOD, I have no pleasure in the death of the wicked, but that the wicked turn from his way and live. Turn, turn from your evil ways! For why should you die, O house of Israel?’
